Harold E. Doyle, of Columbia, won the Middle Atlantic tennis champion-ship yesterday afternoon in the ninth annual, tournament at the Columbia Country Club, when he defeated Spencer Gordon. Chevy Chase, after four sets game for the White Sox today, and this, of splendid tennis, by 6-3, 7-5, 3-6, and 6-4. As Doyle had two legs on the trophy the cup becomes his permanent Score:

trophy the cup becomes his particular property.

The match was nip-and-tuck from start to finish and brought out some unusually first termis. Doyle, besides playing a good net game, placed the ball well, while his cross court shots proved a puzzle to Gordon. Doyle won many points by dropping the balls dead over the net.

subscriptions must be turned in by 10 o'clock next Saturday night. If your team is going to be in the first ten at the finish you will have to keep going right up to the end.

Many of the teams that did not appear in the first ten in last Sunday's standing are putting in some hard licks and will most likely spring some big surprises when the final count is made. Overconfidence on the part of some of the leaders may be the cause of their undoing and for that reason it is just as important that they should keep hustling if they want to win the complete outfits.

EACH SUBSCRIPTION **COUNTS 400 VOTES**

Each new three-month subscription to The Sunday Herald counts 400 votes, and many teams have found it an easy matter to increase their total by securing subscriptions. You have the privilege of turning them in right up to the last minute of the contest.

LAST WEEK'S PRIZE WINNERS

THE TRINITY A. C. and the LOGAN A. C. each won a Catcher's Mask for turning in the most subscriptions. Both of these teams hail from Georgetown and teams from other sections should do as well or better during the present week.

Special Prizes This Week

An official American League baseball and the choice of a bat will be awarded to the TWO TEAMS turning in the most subscriptions this week. The subscriptions will count toward winning the COMPLETE OUTFITS in addition to the
